From

Excise Commissioner

To

H. V. Nanjundaiya Esqure M.A. M.L
Secretary to Government
General and Revenue
Departments

Sir,

In submitting herewith extract of para 1 of a memorandum dated 29th July 1902, of Mr. Dunning, assistant Commissioner, Kolar Excise Division, with the remarks of Mr. Carr, Deputy Commissioner, Kolar District together with a statement showing important cases taken up and prosecuted in the Bowringpet taluk, I have the honor to state that I have reason to believe that large quantities of Contraband liquor and drugs are being smuggled into Mysore. Accordingly I concur with Mr. Carr in his opinion that the idea of Patrol parties along the frontier of British territory

territory is an excellent one. Such parties exist in British territory. In statement B which accompanied my letter No. 822/43, dated 25th July 1898 I proposed for the sanction of Government the following parties to patrol the frontier in the Kolar District :—

Taluk	Men required for frontier patrol		Total cost per mensem
	Petty officers	Kolekars	
Bowringpet	1	3	Rs 191
Malur	1	3	
Sreenivasapur	1	3	
Chintamany	1	3	
Bagepally	2	4	

These proposals have not yet been sanctioned. In view to collect reliable information and as far as possible to prevent illicit distillation, importation of contraband liquors and drugs, &c, it is absolutely necessary that a special frontier patrol party should be formed at once for the Bowringpet and Malur taluks, as an experimental measure at least for six months. Accordingly I beg to solicit sanction to the following temporary frontier Patrol staff up to the end of February 1903 :-

3

		Cost per mensem Rs
1	Assistant Inspector on Rs 35 + 10	45
6	Peons, -- 2 on Rs 8 and 4 on Rs 7	44
	Total	89

The charge may be met from general Savings in the current year's Excise Budget

with a view to
improve the efficiency of
the Excise staff of the Bowring-
pet and Kolar Ranges, and
to provide for an efficient check
over smuggling and illicit
practices affecting Excise Reve-
nue, the undersigned considers
that the following points
require prompt attention, and
would accordingly solicit
the Deputy Commissioner's
support of the proposals
mentioned below, and the
Excise Commissioner's approv-
-al and recommendation
to Government for early
sanction:—

1 Patrol parties for the pre-
-vention and detection of
smuggling and illicit practices
on the Frontier of the Bowring-

I think the idea of Patrol parties an excellent one, but do not know if such large parties as proposed are necessary.

A good deal of smuggling is no doubt carried on in the frontiers

Malur, and Kulbagal Talukhs

Notwithstanding that several important cases of illicit distillation etc have been detected by the Bowringpet Inspector and his Assistant Inspectors, and the check, for the time being, that was put upon this class of offenders by the exemplary punishments meted out to them by the Gold fields Special Magistrate, there is — reason to believe that malpractices still continue. The existing staff is inadequate to do anything like efficient work in this respect, as their time is fully occupied in discharging their routine duties. I would therefore submit that it is essential that two patrol parties, each consisting of (a) an Assistant Inspector and

(a) on Rupees 35

(6) Two on Rs 8/- and four on Rs 7/-

and at the back six peons (6) should be formed, to beat up the frontier villages of the three Talukks named above.

In consideration of the dearness of living on and around the Gold-Fields, and of the comparatively arduous nature of the work required of them it would be necessary that they should be given Double Batta for the days spent out of Head-Quarters, which for the present I would fix at Gat madamangala (near the frontier of the Bowringpet Tk), and at Malnanaikana-halli in the Mulbagal Taluk. The two villages referred to occupy central position as regards the most important parts of the Frontier.

I do not think Double Batta is necessary. If good rewards are given, this will keep the men sufficiently keen on their work.

(sd) JC

To induce them to work with zeal, I would also —

recommend that liberal Rewards be given for each case detected as is done in the Madras Presidency.

only such men as are likely to exert themselves and do good work will of course be selected.

4. It has come to notice that toddy is smuggled into the Mysore State from the frontier Taluks in British India, in which toddy yielding trees abound. To prevent and detect similar smuggling from Mysore into British territory, the British Government have organized and employed preventive patrol

parties. Similar parties are absolutely needed in our frontier taluks as shown in Statement B. hereto appended.
